ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed on February 12, 2007, to revive the above-identified application.

The application became abandoned for failure to timely respond to the Notice of Allowance and Fee(s) Due mailed June 2, 2006. A Notice of Abandonment was mailed on October 30, 2006.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is not a correct interpretation of the statement.

As authorized, fees totaling \$3,200 have been charged to petitioner's deposit account.

The petition satisfies the requirements of 37 CFR 1.137(b), in that, petitioner has supplied (1) the reply in the form of \$1,400 for payment of the issue fee and \$300 for payment of the publication fee; (2) the petition fee of \$1,500; and (3) an adequate statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application file is being referred to the Office of Data Management for further processing into a patent.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
